

CONTENTS

Hydrofluoric acid etching patterns and surface morphology of three silica-based ceramic materials.	
Yanakiev S, Yordanov B, Marinova-Takorova M.	4325
Mindova S, Karaganova I. Mirror therapy in physiotherapeutic practice for recovery of the motor function of the upper limb in patients with ischemic stroke.	
.....	4330
CAD/CAM fiber-reinforced composite splint for immobilization of periodontally compromised teeth.	
Zhekov Y, Firkova E, Kissov H, Aleksandrov S.	4335
Research on medical students' views and attitudes about their communication skills training.	
Valentinova T.	4338
Application of Hand-Held Dynamometer for Monitoring Functional Recovery in Patients with Cervical Radiculopathy.	
Karaganova I, Mindova S.	4345
Eating habits and behavior in adolescents from different ethnic groups in the Municipality of Plovdiv, Bulgaria.	
Petrova G, Merdzhanova E, Lalova V, Angelova P, Boyadjiev N.	4350
Serum Pepsinogen I and Pepsinogen II as Non-invasive Biomarkers for the Diagnosis of Chronic Atrophic Gastritis.	
Gorcheva Z, Racheva V, Vasileva M.	4356
Invasive cervical resorption due to iontophoretic internal bleaching with hydrogen peroxide: two case reports.	
Kouzmanova Y.	4361
Dental grillz - critical analysis and patient opinions.	
Rangelov S, Dimova-Gabrovska M.	4366
Analysis of the effectiveness of XP-Endo Finisher R in orthograde endodontic retreatment.	
Tsenova-Ilieva I, Dogandzhiyska V, Karova E.	4371
Anthropometry and acoustic pharyngometry of the oral cavity in sleep-disordered breathing.	
Shivarov G.	4377
Aneurysm of splenic artery. Incidence, clinic, diagnosis, treatment. Review and cases from practice.	
Iliev S, Beshev L, Vladova P.	4384
Incidence of the Infective Endocarditis in Patients with Tunneled Catheters in One Bulgarian Dialysis Center per Year.	
Borisov BK, Gospodinov KD, Hitkova HY.	4389
Completely edentulous patients. Part 1: Morphological features of the upper and lower jaw.	
Apostolov N, Zlatev S, Deliverska E, Todorov R.	4393
Completely edentulous patients. Part 2: Alveolar ridge height values from INTRA- and Extra-oral measurements.	
Apostolov N, Zlatev S, Deliverska E, Todorov R.	4399
Laparoscopic adhesiolysis-method of choice in selected patients.	
Kostov K.	4405
Dynamics of COVID-19 Symptoms and Changes in Ct Values of RdRp, N and E genes in 1044 Patients Positive for SARS-CoV-2.	
Sredkova M, Popov C, Golemanov G, Tonchev P, Nankov V, Blazhev A, Popova A, Mogilska R, Delcheva V, Kuteva E.	4409
One-year clinical evaluation of the caries-preventive effect of glass-ionomer sealant on newly erupted first permanent molars in children.	
Shtereva L, Dimitrova M, Kondeva V.	4418
Prognostic score for severity of leptospirosis.	
Gancheva G.	4423
Surgical and Non-Surgical Laser Preprosthetic Periodontal Preparation. Low-Level Laser Therapy and Photoactivated Disinfection.	
Kazakova R.	4431
