

CONTENTS

Relationship between Some Laboratory Indicators and Anthropometric Parameters in Bulgarian Patients with Type 2 Diabetes Mellitus.	
Petleshkova T, Harizanova Z, Baltadjiev A.	6491
Maximum bite force in fixed preliminary prosthetics.	
Dimova-Gabrovska M, Rangelov S.	6497
Study on decontamination levels in dental impressions and constructions.	
Stoeva V, Kalchev Y, Kondeva V, Murdjeva M.	6505
Allocation of public expenditures for hospital medical care: trends and regional inequalities.	
Shotarova Z.	6510
Comparative in vivo Assessment of Digital Radiograph Software and Apex Locator for Working Length Determination.	
Gusiyska A.	6516
Assessment of occupational risk exposures and the degree of implementation of standard protective equipment among medical personnel.	
Stoeva V, Batselova H, Kostadinov K, Atliev K.	6525
Bednar's Tumor – A Rare Variant of Dermatofibrosarcoma Protuberans.	
Pavlov S, Penev Y.	6532
Cone-beam computed tomography and light microscopic examination of human extracted molars — an in vitro study.	
Gyulbenkiyan E, Borisov R, Gusiyska A.	6537
Biomimetic Strategies and Adhesive Protocols in the Restoration of Severely Compromised Posterior Teeth - A Contemporary Review.	
Nikolova N, Raykovska M, Koytchev E, Gusiyska A. ...	6542
Muscle strength recovery after anterior cruciate ligament reconstruction.	
Zlatkova K, Zlatkov Y.	6555
Amblyopia and refractive errors in Bulgarian pediatric population - prophylaxis and prevalence.	
Vrachev P, Trifonova K.	6560
Comparative analysis of dental indices: Bulgarian and some international populations.	
Harizanova Z, Todorova Z.	6567
Medical Expertise, Working Capacity and Social Adaptation.	
Mancheva P, Dimitrova T, Ivelinova M, Dzhordzhanova A.	6572
Investigation of drying kinetics and quality characteristics of fruit bars enriched with Chlorella and Spirulina platensis.	
Milkova-Tomova I, Penov N, Minchev I, Buhalova D, Panova N, Gerasimova A, Nikolova K.	6576
Sensory Modalities and Learning Styles of Students in the Field of Healthcare.	
Tarpomanova T, Filkova S, Milev M.	6582
Three-Dimensional MSCT Analysis of Sexual Dimorphism in Facial Skull and Piriform Aperture Morphology in South Bulgaria.	
Todorova Z, Popova F, Angelova I, Harizanova Z, Naydenova I, Tsvetanov T.	6586
Association Between IL-10 Gene Polymorphisms, Tobacco Smoking, and the Rate of Periodontitis Progression.	
Pashova-Tasseva Z, Mlachkova A, Deliverska E, Savov A, Tosheva E.	6591
Anthropometric study of Facial Proportions in young Bulgarians by 3D laser scanning.	
Petleshkova T.	6599
The correlation between Nitric Oxide radicals and IL-1b protein in newly diagnosed diabetes mellitus Type 2.	
Goycheva P.	6604
Serum Amyloid A: A key mediator in inflammation, metabolic disorders and cardiovascular disease.	
Borisova A, Grigoryan A.	6609
Impact of insulin resistance on pregnancy and neonatal outcomes in women undergoing in vitro fertilization: A comparative cohort study.	
Ivanov T, Popov B, Grigorov B, Grigorova A.	6615
Gas Chromatography-Mass Spectrometry Analysis of Four Fractions from Comfrey Roots and Evaluation of Their Antimicrobial Activity.	
Petkova N, Stefanov K, Ivanov I, Tumbarski Y, Dincheva I, Panova N, Vrancheva R, Vassilev O, Nikolova K.	6619
A complex but beneficial relationship between platinum compounds and organic drugs – a mini-review on the antimicrobial perspective.	
Kostadinova N, Belcheva V, Teneva P, Yarkova D, Kafedjiiski K.	6626
IL-6 induction by betulinic acid and its proline ethyl ester salt.	
Miteva L, Grigorova A, Dimitrova N, Ossowicz-Rupniewska P, Guncheva M.	6631
Secondary syphilis - current aspects of the clinical management of the multifaceted disease. Case report.	
Gardeva-Garvanova R, Marinova J, Garvanov T, Kostadinova N, Vracheva P.	6636
Didactic Approaches to Preclinical E-testing for Medical Students.	
Doykova I.	6640

Photometric Analysis in Dentistry: A Pilot Methodological Study Using Digital Photography on Artificial Surfaces.	
Kosturkov D, Tsenova I, Dogandzhiyska V, Marinova M, Hristov K, Gateva N, Mitova N, Karova E.	6646
Quality of Life of Patients with Anterior Cruciate Ligament Reconstruction.	
Taneva-Georgieva N, Paskaleva R, Ivanova V, Pavlova V.	6652
Family Environment as an Important Factor for the Physical Development of Preschool Children.	
Paskaleva R, Ivanova V, Pavlova V, Taneva - Georgieva N.	6657
Sivreva A, Vlaeva N, Parashkevova B, Kostadinova N. Anxiety about the spread of COVID-19 – adverse impact on public health.	6663
Sars-Cov-2 and EBV Coinfection in Children: Case Reports and Discussion.	
Panayotova M, Tzaneva V.	6667
Chemometric analysis of relationships between bone mineral density, copper, zinc, magnesium and total antioxidant activity in women with different localization of osteoporosis.	
Asenova S, Tomova R, Nestorova R, Atanasova B, Atanasova L, Nikolova M, Petranova T, Slavova M.	6672
The radical-scavenging potential and oxidative stress modulation of Rosa Alba L. absolute against gentamicin-induced renal toxicity.	
Zlateva S, Petkova-Parlapanska K, Dobрева A, Yaneva Z, Georgiev T, Hadzhibozheva P, Georgieva E, Nikolova G, Karamalakov Y.	6680
